

# Sjöbergs Clamping platform

Sjöbergs Clamping Platform extends the bench by 480 mm. All the 19 mm diameter dog holes make the bench more flexible and suitable for most existing clamping systems on the market.

It also handles our Holdfast ST11. You can fasten on both the top and the skirts around the Platform.

It can also be used as a separate work surface by attaching it to a wall. The Platform is made of solid European beech and treated with a first class natural oil.

4 Bench dogs (33290) are included.

## Product information

### Sjöbergs Clamping Platform

Art.nr	33467	
EAN	7316703467105	
Length of worktop	480 mm	18 <sup>57/64</sup> in
