

Sjöbergs Duplex, 1-station

Sjöbergs Duplex is the perfect workplace for one, whether right- or left- handed. The laquered beech top has a thickness of 60 mm and includes a heavily constructed vise, making this bench exceptionally flexible and sturdy. With the electrical trestle (art.no. 33275) you can easily adjust the height, and offers easy access to wheelchair users.

Add foot for even more stability, art.no. 33342.

Product information

Sjöbergs Duplex, 1-station/wooden trestle
